November 9<sup>th</sup> 2007

**Dear Parents / Carers**

Can I thank the MSA and the band of 'helpers' who worked so hard to ensure that the 'firework' display was such an enjoyable event. Once again it was pleasing to see Tom Gilmore back at Milton School.

**Parents' Information Session**

Following parent / teacher consultation sessions you should be aware that our maths whole target is to improve the children's confidence and accuracy in subtraction. As the method for teaching this calculation has changed, we will be holding two parent information sessions. The aim will be to look at the progression of teaching subtraction enabling parents to support their child's learning. The sessions will be run by Ms Pike who was until recently a maths consultant for Cambridgeshire. Please complete the slip below by November 16<sup>th</sup> to indicate if you are able to attend **one** of the sessions. We will decide on the venue in school when we have a clearer idea of the number of parents attending. Please note these sessions are for **adults only**.

Children in Need is on Friday 16<sup>th</sup> November 2007. This year the School Council has decided that we should have a non-uniform day to raise some money. The children can dress up in spotty or stripy clothes and may bring their favourite teddy to school. The children may bring in a donation towards non-uniform day – a suggested amount of 50p. Every penny that is raised will help disadvantaged children and young people in the UK. **Allison Lycett (on behalf of the School Council)**.

**Congratulations to Jordan Foster**

Jordan Foster Class 10 has been signed for Cambridge United Football Club Centre of Excellence U9s. He has completed a tour with them to the West County Cup where they were runners up. Jordan has also played against teams from Lincoln, Grantham, Norwich, Kings Lynn, Aldershot and Gillingham. His photo also appears in every home game programme that Cambridge United First team play. Well-done Jordan.

We are always keen to celebrate the successes of our children so if your child has an achievement please let us know.

Yours sincerely

**S.J.Dorrington**  
**Head Teacher**

**Are you involved in PRINTING?**  
The MSA are considering producing a Cookery Book next year and wondered if any parents might have access to typesetting, printing facilities or other things that we might need to be able to do this. Could your company or someone you know help us? Any offers of help or sponsorship would be gratefully received; please contact Sharen Halfpenny via the MSA box in the school office or email her at [sharen.halfpenny@halfpenny.net](mailto:sharen.halfpenny@halfpenny.net). Please do contact us if there is anything you can offer.

**PANTOMIME**
